

Updating your houseware with SAP® Business One

Before: Challenges and Opportunities

- Abdulrahim needed an ERP that would improve their processes.
- They were looking for a tool that would allowed them to have detailed reports.

“SAP Business One and Seidor One are helping us take right decisions to a sure growth in the **future**.”

Mohamed Kalot, General Manager, Ets. Abdulrahim Diab.

Why SAP and Seidor One

- SAP Business One solution presented for Abdulrahim Diab a new edge in terms of management and decision-making giving us an advantage versus competition.
- Seidor One gave the company the support they needed with personalized service.

100

years in the market

After: Value-Driven Results

- SAP Business One has helped them gather information to organize projects and activities.
- The tool has allowed them to see all the stock in one click.
- Multitasking is the best feature of SAP Business One for Abdulrahim.
- SAP Business One has helped them improve their workflow and their profitability
