

# SUCCESS CASE

Getnet is a technology company of Grupo Santander which has operated in the Brazilian market since 2003. Getnet has more than 3,000 employees and offers payment solutions for the entire business chain, from large to small entrepreneurs. By implementing SAP BRIM Getnet gets a high-performance solution, equipped with an intuitive interface, for the generation of complex contracting, pricing, billing, financial management, and collection processes for all the products, always with a high volume and complexity. The SAP BRIM solution gives Getnet greater flexibility, guaranteed revenue, and lower costs for expanding its products in the future.
