

Unifying operations across a global network

FAST FACTS

Burgess Galvin & Co Ltd

Dublin, Ireland

Chemical manufacturing

SAP Business One

Improved operational efficiency with SAP

Upgraded legacy software to improve data management

Burgess Galvin implemented SAP Business One to conform global activities

The company

Burgess Galvin manufactures a wide range of skin care products, detergents, degreasers, disinfectants, traffic film removers and adhesives which serve the different needs of industry in Ireland, the UK and Europe.

The challenge

The company was struggling to get valid reports and data from their previous ERP system.

Why SAP Business One?

Endorsed by their longstanding partner SEIDOR (formally Teamsoft), Burgess Galvin chose SAP Business One for its uniformity and the wealth of global, online information available on the product.

The benefits of SAP Business One for Burgess Galvin

Burgess Galvin now have a uniformity in operations and a new global network.

With SAP Business One, Burgess Galvin was able to:

- Improve the quality of operational and financial data
- Create enhanced information reports in sales activity, product margins, customer/product profitability and overhead analysis

- Offer a vastly improved client and customer user experience
- Obtain a wealth of data from a global client network
- Go live in one year with no interruption to business activity or information flow

Conclusion

"SAP Business One has improved the quality of our data and the efficiency of our processes by a substantial margin.

"We instinctively know we are producing good information from the system." Paul Sweeney, Financial Controller at Burgess Galvin.
